# WOMEN IN HORTICULTURE DAY

Gaiety Hollow, 545 Mission St SE, Salem, OR 97302

*Interested in a career in Horticulture but not sure how to proceed?* Join other female students in a day of informative, lively seminars led by women currently employed in the horticultural industry.

This is your opportunity to learn from and network with a:

- landscape designer
- nursery grower
- retail manager
- botanist
- cut flower/entrepreneur

Program is free with lunch and refreshments provided. Space is limited to 30 students and registration is required.

For more information and to register contact: [joleen.schilling@chemeketa.edu](mailto:joleen.schilling@chemeketa.edu)

This program is made possible due to a grant from The Salem Foundation.
